[REDACTED] PLC) LIAISON At the request of
[REDACTED] Deputy Director of Personnel for Special Programs,
I called Hilda Schreiber, Retirement Specialist, Office of
Management and Budget, and inquired as to status of the provision
in the Department of State's authorization bill to change the
provision for computing annuities in the Foreign Service
Retirement Act from a three year average to a high one year.
Schreiber said the provision was approved by the conference
committee, however, the President is strongly against this and
other provisions in the bill and will veto it if the provisions
remain. [REDACTED] was advised.
